### Explanation of Repair and Overhaul Request

Van der Ende Group applies the Metaalunie conditions (available on our website at [www.vanderendegroup.com/terms-and-conditions](http://www.vanderendegroup.com/terms-and-conditions) or upon request by e-mail) when handling repairs and overhauls. In addition, the following conditions apply:

#### General

- Please complete the preceding tables in full;
- The completed form must be clearly visible on the outside of the (transport) package.
- Failure to include the completed repair and overhaul form, including the safety statement, may cause delays in processing;
- Products must be delivered to us at your own expense;
- Products should be securely packed for transport;
- Shipping costs will be charged for returning repaired, reviewed or overhauled products.

#### Repair and Overhaul

- If (after quotation) no repair and/or overhaul is undertaken and no new/replacement product is purchased from us, we will charge a minimum of €59.00 per hour for inspection, as well as applicable transportation costs;

By submitting this form, you agree to these terms. To ensure proper processing of your request, please complete the form in full.

**Please enclose a copy of this form with the materials when sending them to us.**
